

September is National Sewing Month

Celebrate with us at a FREE

## “Sit and Sew”

Saturday, September 22, 2007

9:00 a.m. - 4:00 p.m.

Bring things that you have wanted to make but couldn't find the time, your sewing challenges, your UFOs, your secret holiday gifts and *let's spend the day sewing!*

We will all enjoy our sewing sisters' knowledge as we help and motivate each other to finish something!!! Where else can you find so much sewing wisdom in one place?

Location: **STRACK, INC.**

125 Laser Industrial Boulevard, Fairburn, GA

Strack is loaning us their computer lab—lots of electrical outlets, etc.  
This is a second floor conference room—without an elevator.

Bring your own lunch and a snack to share with the whole group.  
Bring your sewing machine, material, and ALL your sewing supplies.

Although this is a free event, ***you must register in advance*** to assure space is available.  
No walk-ins will be accepted.

Directions to Strack, Inc. and the room location will be provided when you call Susan Vinson to register. Contact Susan at 770-414-4556 or [shvinson@comcast.net](mailto:shvinson@comcast.net) to confirm your spot.

*PS. If you want to come and knit or crochet, please join us for the camaraderie.*

*End all those fitting challenges...*

Make Your Own
