

For our **2nd Annual Miles of Pillowcase Smiles (MoPS)**, ConKerr Cancer will again provide pillowcases across the country this September. Because September is Childhood Cancer Awareness month, we have chosen this time to bring as many smiles to as many sick children as possible.

Our Georgia chapter had a very successful Miles of Pillowcase Smiles event last year sewing over 500 pillowcases in one day! Our goal for the month was one mile, 2112 pillowcases. All of your combined efforts gave us an incredible 2,917. We're so grateful and ask that you participate with ConKerr Cancer Georgia to provide pillowcases again this year. You will be forever changed!

There are plenty of ways you can help us make a mile of pillowcase smiles here in Georgia this September.

- Organize your own sewing day in September with a few of your friends.
- Have a fundraiser for ConKerr Cancer GA at your child's school.
- Hold a sewing day at your church, temple, or school. Invite a Girl or Boy Scout Troop to join in.
- Sew pillowcases at home and donate them to one of our drop off locations no later than **Wednesday, September 28th**. We need time to pick up, count, and report our numbers.
- Purchase a raffle ticket and ask your friends and family if they would be interested in supporting ConKerr Cancer Georgia. Please send your check with name, address, phone, and email address made payable to: *ConKerr Cancer GA , % Lisa Rowell (ConKerr Cancer GA) , 421 Upper Mill Creek Lane, Canton GA 30115. Email: case4smilesga@gmail.com.*
- Please wash all the pillowcases sewn and place them in separate plastic bags.
- Remember ConKerr Georgia is a 501©3, so all donations are tax deductible.
