

PRESIDENT'S CHALLENGE 2010

Ten Dollar Challenge

Every year, the ASG-Atlanta president announces a sewing challenge in advance of the Annual Meeting and Common Threads in October. Challenge entries must follow the rules set forth. Two of the three awards (*shown below*) are judged by the president and a guest judge of her choice. All attending members will vote for the Member's Choice award. Bring your entry with you to the Annual Meeting on Saturday, October 16.

In the challenge for 2010, you have ten dollars in your purse. Now ask yourself, what can you make for ten dollars? There are no limits. Some of our small-sized members could possibly make an entire suit with ten dollars and then there are the bigger girls like me that might just get the jacket. So in all fairness, entries will be judged on not how much they make, but what they make. You can make anything you want. Spend your money wisely.

Rule #1 Your ten dollars is for your fabric purchase only. Do not include pattern and notions in your ten dollars.

Rule #2 You must make your purchase from one of our sponsors (*see page 9*).

Rule #3 Keep your receipts. When you have finished your entry, you must pin your receipt to it for judging.

Three Awards:

Biggest Bang for the Bucks

Best Use of Techniques

Members' Choice
